LAKE WORTH BEACH

LAKE WORTH BEACH

Welcome to the diverse City of Lake Worth Beach, where **every block has a story, every storefront has a personality** and every visit offers something new to discover. From places that keep going late to vibrant arts and cultural destinations, from neighborhood cafés and restaurants to boutique stores, **our one-of-a-kind beachside community is uniquely full of personality and things to do.**

So take the scenic route. Stay a little longer. Try somewhere you've never been. Meet the owners, discover hidden gems and find a few favorites of your own. Around here, the best recommendations rarely come from an algorithm. They come from the streets themselves.

We think *you'll fit* right in!

1 FIND CREATIVITY AROUND YOU

While the City has a small town feel, it is also actually a thriving destination for all kinds of arts and culture. Art galleries, live theater, international cinema, cultural centers – and the local artists who live and work here – make us Palm Beach County's creative hub. Express your own creativity or take in all Lake Worth Beach has to offer for the "culture vulture." Explore the **Benzaiten Center for Creative Arts,** the **Lake Worth Playhouse** and the **Cultural Council for Palm Beach County.**

2 SHOP THE DISTRICT

One of Lake Worth Beach's distinctive pleasures is strolling the downtown and discovering some of the distinctive retail businesses that give the City its special vibe. Whether you are looking for an antique find, a great cigar or a stylish outfit, there is so much to discover in our colorful Florida town. Check out **The Tacky Tourist,** the **Eclective Boutique, Bali Importers** and **Sea You Boutique.**

3 DIVE INTO NATURE

Our town is a great place to get outdoors – whether exploring the streets biking and strolling, or wanting to really get away from it all (without ever leaving the City). From **Bryant Park** located on the Intracoastal, to the oceanside beach and landmark **Lake Worth Pier**, getting fresh air, sunshine and stunning vistas is part of our daily lives.

4 GET YOUR L-DUB ON

And of course, nighttime bars and gathering spots are part of our neighborhood fabric, some with live music, and others keeping things burning into the wee hours. Visitors can enjoy our welcoming hospitality, and residents don't need to travel far to enjoy a night out with friends old and new. Hang out at **Igot's Martiki Bar, Rudy's Pub** and **The Irish Brigade.**

5 STAY & LIVE IN LAKE WORTH BEACH

Of course the City has a number of charming bed and breakfasts, all in historic old homes. And a soon to reopen, lovingly restored, iconic 100-year **Gulfstream Hotel.** For those who want to live in a permanent Lake Worth Beach state of mind, there is a wide range of options available, from our famous cottages to more modern homes to affordable housing options that are steadily growing, like **The Bohemian** apartments.

Worth the stop LAKE WORTH BEACH *favorites*

CULTURAL COUNCIL FOR PALM BEACH COUNTY | 601 Lake Avenue

Right in the center of downtown Lake Worth Beach is the headquarters for the **County's official arts agency.** They provide grants to artists and cultural groups, promote arts education and support cultural tourism. But most excitingly for us, they host **great rotating public exhibitions – with art you can purchase** (buy local!) – in their gallery space.

DAVE'S LAST RESORT | 632 Lake Avenue

LILO'S STREETFOOD & BAR | 701 Lake Avenue

At the corner of K Street and Lake Avenue are **two of our most beloved restaurants**, caddy corner to each other. Each one spins a friendly local feel with some elevated touches. Dave's is a lively neighborhood seafood spot – known for oysters, raw bar staples, cold drinks and coastal décor. At Lilo's, bold flavors meet laid-back coastal energy with a mix of creative street eats, fresh seafood and cocktails that keep the good times rolling. For a casual bite or a night out, **both spots are worth a visit.**

LAKE WORTH BEACH CASINO & BEACH COMPLEX | 10 S Ocean Avenue

Few places capture the spirit of our City quite like the **iconic pier**, perfectly located a **short distance from downtown** in the Lake Worth Beach Casino Building and Beach Complex. You can be casting a line, catching a sunrise, watching surfers (ooh-la-la) or enjoying breakfast at the signature restaurant-with-a-view, **Benny's on the Beach.** It's where the Atlantic meets everyday life, and we think this is simply the BEST public beach around – parking is always a breeze.

RUDY'S PUB | 21 South J Street

This is one of the **hottest live music destinations** in Palm Beach County, with the upstairs **Bamboo Room**, great "bar food," and of course, wine, beer and cocktails. They have a little something for everyone, from family-friendly events on the outdoor patio, to **later-at-night open mic comedy, blues, country, jazz** and so much more. **It's a great Lake Worth Beach spot** for keeping the party going or as the main event – Rudy's is jumping till midnight.

GULFSTREAM HOTEL | 1 Lake Avenue

The historic 90-room Gulfstream Hotel, built in 1925, is near the end of a **thorough renovation and updating,** and is now a **Marriot Tribute Portfolio property.** It will include an adjacent new mixed-use building as well, with a spa, a ballroom and a rooftop restaurant and bar. Its distinctive custom shade of pink exterior is already shining brightly at the foot of the bridge leading to the beach. **When the hotel opens in 2027,** it will again be a choice place to stay for visitors, and a gathering spot for Lake Worth Beach residents.

Find *your* flavor

Eating out, whether for a quick bite or a more elevated special dinner, is one of life's greatest pleasures. The **Community Redevelopment Agency (CRA)** has launched a new marketing initiative to support downtown restaurants, increase foot traffic and build community in Lake Worth Beach. The campaign, **Find Your Flavor, Find It Downtown,** is helping position the City as an undiscovered "foodie paradise."

Food is a common denominator that can bring families, friends and communities together. In Lake Worth Beach, our under-the-radar gem, the dining options are as diverse and inviting as the City itself. These include delicious cafes like **Vincent's French Bakery;** award-winning, chef-led restaurants like **Oceano Kitchen,** and Latin American dining and global cuisine, like **Café Tacun, Victoria's Peruvian Pisco Lounge** and **Kanto Asian Street Food.** Check out the campaign website for full information on all downtown restaurants at **www.FindYourFlavorLWB.com or scan the QR code below.**
